The Cornmill Art Space is a new art studio in central Ilkley. We are based in the Old Cornmill building on Railway Rd. The studio has great natural light, heating as well as tea and coffee facilities. We are fully equipped for drawing, painting, some printmaking and various craft/making activities.

Currently, we hold life drawing sessions on Thursday mornings 10am-12noon. These are friendly relaxed "classes" that are guided rather than tutored - suitable for beginners as well as more experienced artists. Each session costs £10 and includes tea/coffee, all materials and homemade cake. Book and pay on the website or email info@cornmillartspace.com and request a place.

We also hold two open studio sessions on Wednesday and Thursday evenings 6-9pm. These are opportunities to use the studio to pursue your own work in the company of other artists. Basic materials are provided but feel free to bring your own. These sessions are £7 per evening. Book online or get in touch for more info.

More courses and workshops are being planned so keep an eye on the website.

The space is available to hire for a variety creative uses such as workshops, rehearsals, pop ups, exhibitions etc.

The studio also holds exhibitions, evening social evenings, artist talks. See website for details.
