Cancer Research UK is looking for volunteers to organise fundraising activities in the Ilkley area.

As a Cancer Research UK volunteer you will receive advice and support from local community fundraiser Sally Hutton, and you can give as much or as little time as you have spare - whether it's an hour a month or an hour a day. Whatever your interests or reasons for wanting to support Cancer Research UK, a suitable and interesting voluntary role can be matched to you!

For more information about Cancer Research UK and how you can get involved, please contact Sally Hutton on 0113 231 9828, by e-mail or take a look at our website.

We'd love to hear from you.
